TO WHOMSOEVER IT MAY CONCERN

This is to certify that M/s Nationals Builders have been associated with us M/s Deepak Fertilisers and Petrochemicals Corporation Limited for civil and structural steel work for ANP / WNA / CNA & Methanol Plants to the value of 9 crores, excluding the cost of cement and steel. They have also carried out filling of entire area and also some road work. The work included also outside facilities such as Tank farm, Pipe racks, Water tanks, Cooling Towers, Control Rooms, Substation, Laboratory, Workshop Bldgs, Road side drains etc. They have done about 1800 MTs of structural steel work, railings, gratings ect.in a good time.

We are satisfied with the performance of M/s National Builders as they have completed the entire job within the stipulated time to our complete satisfaction.

They are well equiped with well maintained equipments tools and tackles, with trained personnel in various aspects of construction management which ensured the completion of the works with a good quality.

Seeing their performance in this Project, I have no hesitation in recommending M/s National Builders for being entrusted with similar works.

For Deepak Fertilisers & Petrochemicals Corporation Limited
